

Network of Alabama Academic Libraries

The Academic Library Survey was collected via the web since 2000.

To access the latest library data on the web, log on to: <http://nces.ed.gov>, click on the "Electronic Catalog" button on the left. Type in the NCES publication number 2001341 in the box provided and click on find. Click on Download to download the PDF file to view and/or print.

To access the library peer comparison tool, log on to:
