## Revised Elements

In order to continue to make the data collection process more effective and reliable changes in data elements may occasionally be necessary. These changes will be made only once a year if possible. The changes will be distributed before the submission date of the Fall Term data. Distribution will be done by publication of this document on Alabama Commission on Higher Education's Home page. If a printed copy of this document is needed please contact Diane Sherman at (334) 242-2742.

The changed elements will be listed below. Additions or revisions in text will be underlined and deletions will be noted with the text marked through with a line. Additions or deletions of entire elements will also be noted in this section.

The following element has been included since the previous distribution of this document:

ED260 – Source Institution for Graduate Students

The following elements have had revisions made since the previous distribution of this document:

ED100 – Academic Major Area Code CIP

ED210 - Minor/Teaching Field Code CIP

GR080 – Classification of Instructional Program (CIP) Code Degree/Award  
Conferred

<b>Element Title:</b>	Institution FICE Code
<b>Short Title:</b>	FICE
<b>Reference Numbers:</b>	ST010, GR010
<b>Definition:</b>	The identification number for each reporting institution will be the institution's FICE code.
<b>Data Specifications :</b>	The FICE code is the 6-digit identification code created by the Federal Interagency Committee on Education (FICE) and is used in all Integrated Postsecondary Education Data System (IPEDS) reports. A list of FICE codes will be found in Appendix A.
<b>Element Format:</b>	999999
<b>Element Type:</b>	Integer
<b>Application:</b>	All
<b>Requirement Designator:</b>	Essential
<b>Source of Definition:</b>	HEIAG
<b>Source of Data:</b>	Provided by Institutions

**Element Title:** Student Identification Number

**Short Title:** STID

**Reference Numbers :** ST020, GR020

**Definition:** The student's Social Security number will be altered using a predefined integer encryption routine for this field. The encryption routine that will be used with this field will be provided to each institution by the Alabama Commission on Higher Education. When unavailable, the institution should use an institutionally assigned number or a state number, if applicable. Element shall be reported with leading zeros for numbers less than 100000000.

**Element Format:** 999999999

**Element Type:** Integer

**Application:** All

**Requirement Designator:** Essential

**Source of Definition:** NCES

**Source of Data:** Provided by Institutions

<b>Element Title:</b>	Date of Birth
<b>Short Title:</b>	DOB
<b>Reference Numbers:</b>	ST030, GR030
<b>Definition:</b>	The calendar date of the birth of the student.
<b>Data Specifications:</b>	An eight digit numeric code in the form of YYYYMMDD should be used in this field. Example November 1, 1978 would be recorded as 19781101.
	If the date of birth is unknown, 9's will be used to fill in the space. Example: 99999999
<b>Element Format:</b>	99999999
<b>Element Type:</b>	Integer
<b>Application:</b>	Biographical & Demographic
<b>Requirement Designator:</b>	Essential
<b>Source of Definition:</b>	NCES, NCHEMS
<b>Source of Data:</b>	Provided by Institutions

<b>Element Title:</b>	Reporting Year
<b>Short Title:</b>	RPTYR
<b>Reference Numbers:</b>	ED040, GR040
<b>Definition:</b>	The current calendar year in which data for the term is reported.
<b>Data Specifications:</b>	The fall term for academic year 1998-99 would be reported with "1998" as the reporting year; winter, spring, and summer terms would be reported with "1999" as the reporting year.
<b>Element Format:</b>	9999

**Element Title:** Reporting Term

**Short Title:** RPTTRM

**Reference Numbers:** ED050, GR050

**Definition:** The "reporting term" will be identified by two alpha characters representing the term. (FA = fall quarter/semester; WI = winter quarter; SP = spring quarter/semester; SU = all summer terms.)

**Data Specifications:** The reporting term will be each regular academic term within the academic year. Institutions on the quarter system will report four terms (fall, winter, spring, and summer). Institutions on the semester system will report three terms per year (fall, spring, and summer). Short terms or "mini" terms will be reported with the term in which the institution usually reports them. For example, a three-month summer session plus one or two six-week terms would be reported together for the summer term.

**Coding Options:**

FA	Fall quarter/semester
WI	Winter quarter
SP	Spring quarter/semester
SU	Summer quarter/semester

**Element Title:** High School Identification Code

**Short Title:** HSCODE

**Reference Number:** ST190

**Definition:** The ACT code identifying the high school from which the student graduated or is currently attending or a valid **no high school code** option.

**Data Specifications:** If a student has graduated from high school or is currently attending high school and a valid high school code is available then the appropriate six digit ACT high school code will be entered into this field. **If no high school code is available, one of the options below must be used.**

**Coding Options**

990001	Transfer student
990002	GED
990003	Non-resident alien
990004	Graduate/first professional student
990005	Home educated student
990006	Not required by reporting institution for enrollment.
999999	Unknown/Not Reported

**Only to be used if no high school code is available**

Example: A student who has attended Jefferson Davis High School in Montgomery would have the appropriate ACT High School Code filled in this element. If the student supplied no high school code because they have a GED 990002 would be filled in for this student.

<b>Element Title:</b>	Transfer College
<b>Short Title:</b>	TRANCOL
<b>Reference Number:</b>	ST240
<b>Definition:</b>	The institutional code of previously attended institutions(s).
<b>Data Specifications:</b>	<p>The FICE code will be used in this field, however, ACT Codes may be used if the FICE Code is not available. A list of FICE codes may be found in Appendix A. A Maximum of 3 Transfer Institutions may be listed. The last three institutions should be listed in chronological order with the most recent transfer listed first. If a student has not transferred from another institution code this element will be entered as 0's, for example, 000000. If information is unknown or not reported 9's will be used to report this element, for example, 999999.</p> <p>For example: If a student transfers from College A to College B this element would be entered with College A's FICE code in the first 6 characters. The remaining 12 characters would be entered with 0's. If the student then transferred to College C, College B's FICE code would be in the first 6 characters, College A's FICE Code would be the next 6 characters and the remaining 6 characters would be entered with 0's.</p> <p><b>Note: If the first Transfer College field is blank, nothing should be included in the second and third field for transfer colleges. If the first and second Transfer College fields are blank, nothing should be included in the third field for transfer colleges.</b></p>

**Element Title:** Academic Major Area Code CIP

**Short Title:** MAJCIP

**Reference Number:** ED100

**Definition:** An indication of the subject area, program of study or discipline in which the student is pursuing a degree. The six digit Classification of Instructional Program (CIP) codes (which define operating postsecondary programs) will be used in this field. Undeclared majors will be reported as 900000. Other CIPs will be reported as 990000.

**Coding Options:** Refer to the U.S. Department of Education, National Center for Education Statistics (NCES) Classification of Instructional Program (CIP) codes in Appendix E.

NCES will be implementing new CIP codes for Fall 2004 completions (2003-2004) on a **voluntary** basis. The implementation schedule is **mandatory** for Fall 2004 Enrollment and Fall 2005 completions (2004-2005).

ACHE will implement the new CIP codes for **ALL** data submissions at one time. Beginning academic year Fall 2004, ACHE will require implementation of new CIP codes for **all** data submissions. An institution may choose to implement the new CIP codes prior to Fall 2004; however, the institution **must** continue to report to ACHE using the current CIP code structure until Fall 2004.
